**Final Exam**  
A two-hour final exam will be administered on **Monday, Dec. 14th 1:30 PM to 3:30 PM**. The final exam will be **closed-book**.
Grading:
1) Homework (approx. 5): 20% (lowest score dropped)
2) Two tests: 15% each
3) Final exams: 20%
4) Weekly programming challenge assignments: 20%
5) Attendance: 10%

Misc. Items:

- **Late work**: 10% late penalty within 7 calendar days of the original due date. No submission accepted after that.
- **Absolutely no lame excuses please**, such as "I have to go home early, allow me to take the test on Apr 1", or "I had a fight with my girlfriend, which affects my performance". Even when they are true, they are still lame.
- The course syllabus provides a general plan for the course; deviations may be necessary.
- Please advise the instructor if you have a documented disability that needs to be accommodated.
- No extra work in the next semester given to improve your grade. Any queries about the grades should be brought to the attention of the instructor within a week after the graded students’ works have been returned to the class.
- Turn off cell phones and keep them off the desk during the lectures. Text messaging during class is strictly prohibited and grounds for dismissal.
- Assignments and exams (except final exam) will be graded and returned in approximately one week after it was collected or given respectively. Should there be a delay, the students will be notified.
